FAIRTRADE

The Collect for the 1st Sunday after Trinity

O God, the strength of all those who put their trust in you,
mercifully accept our prayers and, because through the weakness of our mortal nature we
can do no good thing without you,
grant us the help of your grace,
that in the keeping of your commandments
we may please you both in will and deed;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.

Amen.

MEN'S CYCLE PROJECT

The Mary Frances Trust is running a project aimed at supporting men's mental health through bike rides and get-togethers. It is open to men aged 16 and over and the rides are well planned and not too arduous. The rides currently take place once a month on a Saturday but we want to extend this as the lighter evenings approach. We have trained ride leaders but would welcome any new ride leaders or men who would like to train to become one. For further details, contact

01372 375400,

MARTHA'S MARKET TEAM VACANCY

We are looking for a strong person to set up the Hall before the stallholders arrive to set out their stalls. This involves putting out around 15 large tables and 4 small ones plus chairs on Friday mornings before 8.30am most weeks of the year to enable the market to happen (alternatively this could be done at 10.30pm on Thursday). If more than one person can help it may be possible to share the load. This is a good opportunity to serve the Church and the community using your time and talents as the market meets social and fundraising needs and more. Starts 6 July. Please speak to Janine if you could help us with this – **374914**.
